

GOOD NEWS OF GREAT JOY

when they saw the star, they rejoiced exceedingly with great joy. matthew 2:10

merry christmas to you and your family!

The star of Bethlehem points us to the great joy of our King. Jesus surrendered His Father's house to humbly serve humanity, offering His life to bring hope to all mankind. What Good News of Great Joy!

Our family has so much to be grateful for. We currently have FOUR teenagers! (Pray for us!!) The kids are continuing to grow up and we pray that their lives continue to bring God glory!

It is our great joy to introduce to you Zola (4) and Xavia (2), who officially became Dillys on December 2nd. Their sweet lives symbolize our adoption into the Kingdom of God. Our house & our hearts are filled!

We are also filled with gratitude for the mobilization partnerships God has developed. The Caribbean Church desires to take the Gospel to the uttermost corners of the earth.

A couple of exciting highlights for the beginning of next year. We will be making two relief trips in order to help lighten the burdens of the hurricanes impacting the Caribbean. In January we will go to Dominica, then to Barbuda, both places among the worst hit. We are grateful to come alongside the Church in the Caribbean, and to utilize this situation to declare the Kingdom of God.

In February, the Cuban Church is sending their first team to North Africa! This is a huge praise and the ultimate goal of mobilization: seeing all nations finding their role in the Great Commission.

This month while Josh was in Cuba, Cuban leaders were also in Russia at a conference with Storyline staff. (How cool is that!?) It is humbling and exciting to stand alongside the Church in Cuba.

Our networks and mobilization connections are expanding faster than the size of our family! It was an incredible year for Storyline as an organization as well. We grew from a presence in three countries

to twenty within 12 months.

Cuba

Haiti

Antigua & Barbuda

Dominica

Grenada

Trinidad & Tobago

We are filled with wonder at all the Lord did in 2017 and anticipate 2018! We are excited about the opportunities to partner with God in advancing His Kingdom!

We are truly grateful for your dedication to His mission. As we end the year, may we give the Savior all the glory! He is such Good News of Great Joy! Merry Christmas and praying that 2018 is filled with His great joy!

until all hear,

JOSH, MELANIE, MAJA, NOAH, ISABEL, OLIVER, AILAH, ZOLA, & XAVIA
