God is on the move...

Worship on Sunday Evening!

Greetings from OB! Wanted to give you a quick update on some things happening here in OB. For the last few months, we have been opening up the church early at 5 p.m. on the 3rd Sunday of the month for a feeding. We have been blown away at both the people coming in and the people and churches coming alongside us to help us reach out to the people of OB.

We have been blessed to have Rock Springs Church, Access Church, small groups from Crosspoint church and our own people sponsor this event. In doing this, these groups and churches get to witness just what we are trying to do in OB, and they are

also able to get a hands on experience at being the hands and feet of Jesus here.

We have the next 3 months lined up with Grace Chapel, another small group from Crosspoint, and a Christian dance team from Temecula.

As the homeless and just curious come to get a meal, we are able to love on them and “be” Jesus to many people who have never come into a church before and certainly have never experienced the real life

saving, eternity altering message of hope and grace of our Risen King. Some stay for the sermon, but some leave before it starts, but all encounter the love of Jesus!

We are looking forward Easter, as we celebrate the Resurrection, and are having a worship night at

the church on St. Patrick's Day we have called “Open up the heavens”.

Please continue to pray for us in OB. Pray for our finances, our members, our ministry and for more and more people to come and be transformed by the presence of Jesus. Thank you for all you do and for all your prayers!
